

Village of Mazon  
Park committee meeting  
March 27, 2023

The meeting was called to order at 6:30pm on March 27, 2023.

Present were; D. Punke, D. Misener, J. Hintze, D. Hammen, M. White, K. Marques and J. Marques  
Guest: John Frederick

D. Punke called the meeting to order and presented bids for playground equipment. They compared two sets a C11 and a C8. They would recommend the C8 at a cost of \$33,749.00 plus the cost of delivery and installation at \$2,749.00. There would also be the cost of ground work to install 10-12" of mulch and a frame box the current bid is \$10,800.00. The ground work would include 6x6 treated lumber for the box, mulch and the removal of the old equipment. This play set would require a 50' by 50' area. This is a wood structure with plastic. It would need to be restained every couple of years. It has a very good warrantee and any parts damaged would be replaced by the company.

John Frederick asked what we will do with the jungle gym that is there and also questioned the space needed around the water tower.

J. Marques said we need to check the area to see how close we can go to the water tower and how we can save the dome equipment.

K. Marques said that with the cost of the project in excess of \$25,000.00 they would need a second bid. The committee will obtain an additional bid from game time for comparable equipment.

**D. Misener made a motion to adjourn the meeting at 6:52pm. The motion was seconded by D. Punke. Roll was taken; D. Punke-Yes, D. Misener-Yes, J. Hintze-Yes.**
